

# South Campus Revitalization Plan

## CREATE

Downtown Campus by moving the JSMBS from South Campus

## REVITALIZE

### South Campus as a Professional Education Campus

- Move The School of Social Work (SW) and Graduate School of Education (GSE).
- Address space needs of growing schools
- Demolish temporary and vacant buildings

## REIMAGINE

### North Campus as an Undergraduate and Research Center

- Address academic and research space needs of growing STEM programs in particular for the School of Engineering & Applied Sciences and the College of Arts & Sciences
- Increase centrally scheduled classrooms across campus

## IMPROVE

the campus life experience at all three centers

- Create Heart of the Campus centers
- Improve library and student experiences
- Enhance/create recreation options

## REDUCE

deferred maintenance and address priority infrastructure

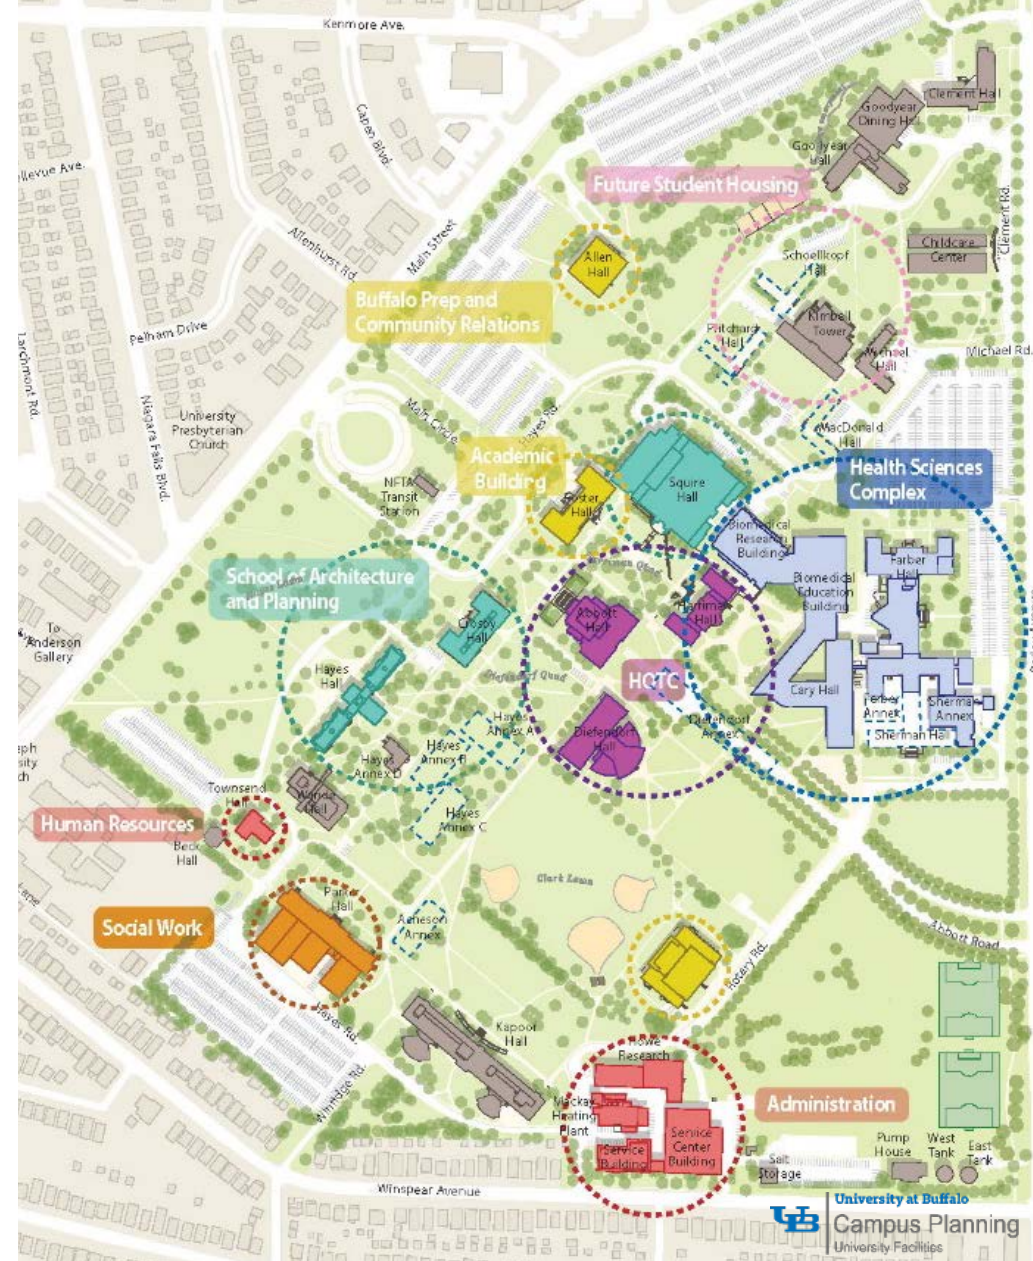

- Align deferred maintenance needs with strategic projects

# Revitalization Plan for SOUTH CAMPUS

## Programmatic Alignments

- Move Graduate School of Education
- Relocate School of Social Work to Parker Hall
- Consolidate School of Public Health and Health Professions
- Consolidate School of Dental Medicine

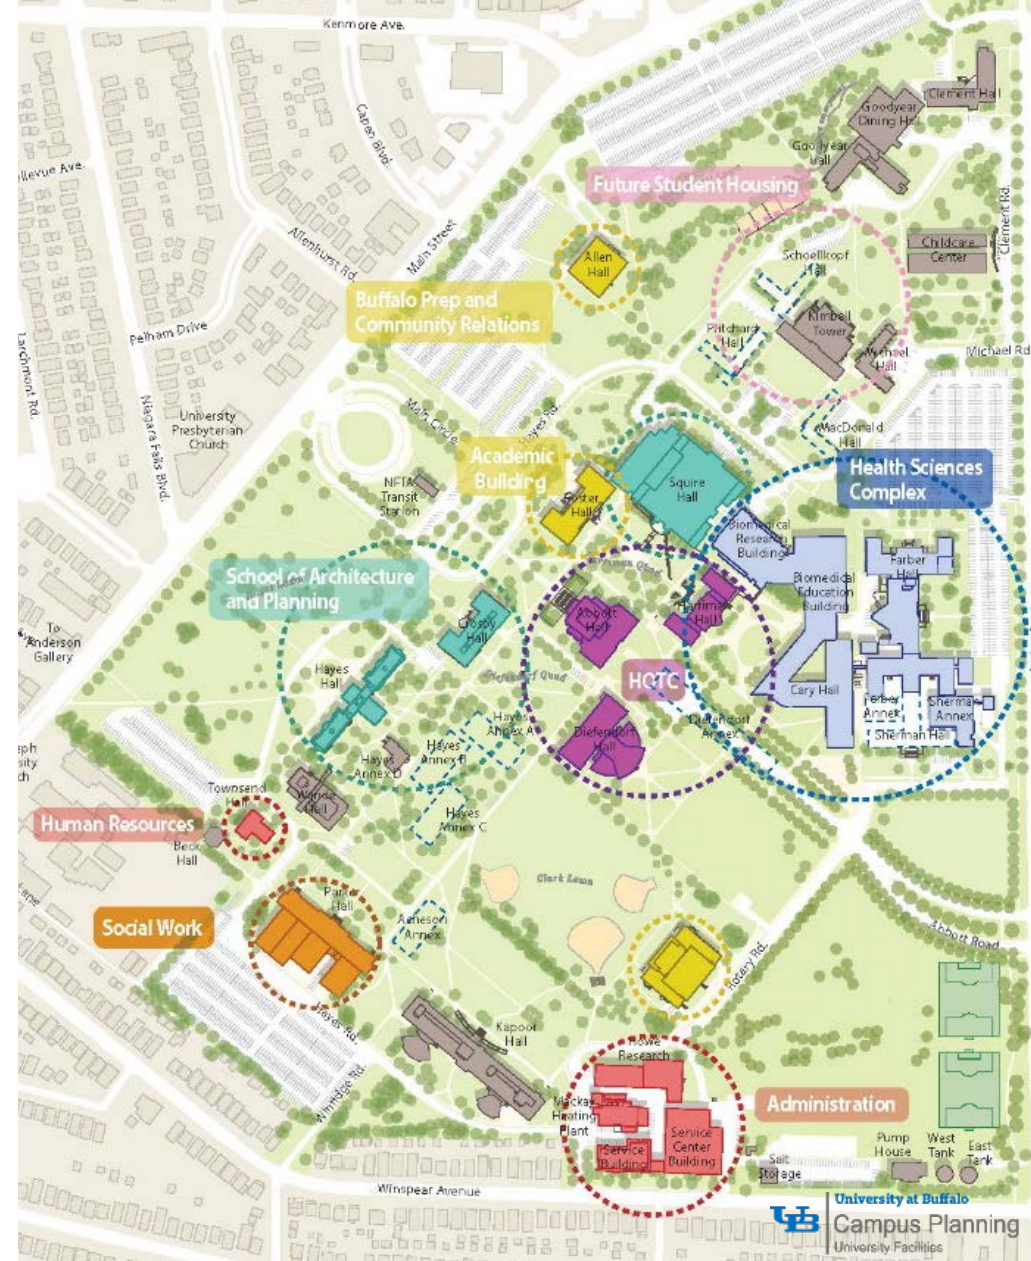

# Revitalization Plan for SOUTH CAMPUS

## Programmatic Alignments

- Improve School of Architecture & Planning facilities
- Create vibrant Heart of the Campus: library, classrooms, university services and recreation facilities
