Policy Statement

The University at Buffalo (UB, university) is committed—for the benefit of our students, faculty, staff, alumni and visitors—to maintaining a safe and healthy campus physical environment to carry out its research and education mission. UB is authorized to control its buildings and grounds consistent with the UB and State University of New York (SUNY) policies for use of facilities, which prohibit the use of university property or buildings for purposes unrelated to sanctioned programs and activities of the university.

In indoor and outdoor locations, the establishment of, evidence of an attempt to establish, or maintenance of temporary or permanent living space (other than in residence halls and apartments) or camping site at any location on university property is strictly prohibited.

Violations

Violations will be subject to the provisions of the [UB Student Code of Conduct](#), the [SUNY Rules for the Maintenance of Public Order](#), the Rules for the Maintenance of Public Order for UB, and applicable collective bargaining agreements.
