## Processional

The processional begins with the entrance of the candidates for degrees, led by marshals who escort them to their designated seating areas. When the candidates have all taken their places, members of the faculty and staff enter. The chair of the Faculty Senate or designated faculty member, bearing the university's mace, then leads the platform party which is comprised of department chairs, State University of New York distinguished faculty, the president of the University at Buffalo Alumni Association, program speakers, university senior administration, and members of the SUNY Board of Trustees, UB Council and UB Foundation.

# SUNY Trustee and UB Officials

## Eunice Ashman Lewin

*Member of the State University of New York Board of Trustees*

President and co-founder of Impacto Consulting Associates, Eunice Ashman Lewin joined the SUNY Board of Trustees in February 2010. She helped reinstate the Student Life Committee, on

which she is co-chair. In that capacity, she spearheaded the creation of the Food Insecurity and the Mental Health task forces. Lewin serves on the board's Executive Committee and the committees for academic affairs, communications and external affairs, community colleges, and academic medical centers and hospitals.

A former commissioner of the Niagara Frontier Transportation Authority, Lewin was a founding member of the Roswell Park Alliance and a board member of the Buffalo Urban League and Hispanics United of Buffalo. She is a member of the Hispanic Women's League, the Greater Buffalo Racial Equity Roundtable and the Western New York Health Equity Task Force, created to coordinate vaccine distribution for the region's counties.

A retired bilingual social worker for the Buffalo Board of Education, Lewin is a champion for STEM education.

Born in Guantanamo, Cuba, Lewin immigrated to the U.S. with her family in 1967. She holds a bachelor's degree in sociology from Marymount Manhattan College and master's degrees in American and Puerto Rican studies, and in educational administration, from UB.

## Jeremy M. Jacobs

*Chairman of the University at Buffalo Council*

Jeremy M. Jacobs was appointed to the UB Council in 1997; in 1998, then-Gov. George Pataki named him chairman. Jacobs is chairman of Delaware North, a global hospitality company with customers in the United

States, Australia, New Zealand and the United Kingdom. The company's operations include food and retail at airports and sports venues, sports facility ownership and management, operations of parks and major tourist attractions, hotel ownership and management, gaming operations and fine dining.

Jacobs owns the Boston Bruins and serves as chairman of the National Hockey League's Board of Governors. In 2018, he received the sport's highest honor when he was inducted into the Hockey Hall of Fame.

An alumnus of UB's School of Management and Harvard Business School's Advanced Management Program, Jacobs holds honorary doctorates in humane letters from UB, Canisius College, Niagara University and Johnson & Wales University. In 2015, his family donated \$30 million to advance UB's medical school, which was renamed the Jacobs School of Medicine and Biomedical Sciences.

Jacobs has served Western New York for more than four decades with his business expertise and philanthropic leadership, and Delaware North has received multiple awards for social responsibility, community service and environmental stewardship.

A longtime friend and supporter of UB, Jacobs has served as chairman, trustee and director of the UB Foundation, chairman of the President's Board of Visitors and adviser to the School of Management.

## Satish K. Tripathi

*University President*

An internationally distinguished researcher and higher education leader, Satish K. Tripathi, PhD, is the University at Buffalo's 15th president.

Tripathi, who served as UB's provost from 2004-2011, was dean of the

Bourns College of Engineering at the University of California, Riverside from 1997-2004. Previously, he spent 19 years as professor of computer science at the University of Maryland, including seven years as department chair. A fellow of the IEEE and the American Association for the Advancement of Science, he has published more than 200 scholarly papers, supervised more than 30 doctoral and postdoctoral students and served on program committees of numerous international conferences.

Tripathi graduated at the top of his class from Banaras Hindu University (BHU). He holds a master's degree and a doctorate in computer science from the University of Toronto, as well as master's degrees in statistics from the University of Alberta and BHU. He has received honorary doctorates from the Indian Institute of Information Technology, Allahabad, and Brock University in Canada.

Tripathi serves on the College Football Playoff Board of Managers. Previously, he was chair of the Mid-American Conference Council of Presidents and on the boards of NCAA Division I, NCAA Board of Governors, the Association of American Universities, the Association of Public and Land-Grant Universities and the Council for Higher Education Accreditation. A past member of the Reimagine NY Commission, he was the inaugural co-chair of the Western New York Regional Economic Development Council.

## **A. Scott Weber**

*Provost and Executive Vice President  
for Academic Affairs*

As provost and executive vice president for academic affairs, A. Scott Weber, PhD, serves as the university's chief academic officer, providing leadership across the academic enterprise including research, scholarship and creative activities; undergraduate, graduate, professional and international education; faculty development; diversity and inclusion initiatives; and university libraries. Weber is leading the implementation of the university's vision to be recognized among the top 25 public research universities in the nation, focused on building on UB's strengths to achieve new levels of excellence in research, scholarship, education, clinical care and engagement.

A member of UB's faculty since 1983, Weber is an innovative scholar and teacher and former chair of UB's Department of Civil, Structural and Environmental Engineering, where he helped establish UB's transportation engineering program and oversaw the department's significant rise in national rankings. Weber has held progressively responsible administrative roles at UB, including senior vice provost and vice provost for academic affairs, where he was instrumental in the creation of the UB Curriculum and the nationally recognized Finish in 4 program; and vice president for student life, where he focused on enhancing the student experience on campus and promoting overall student wellness.

Weber earned bachelor's and master's of science degrees in civil engineering from Virginia Polytechnical Institute and a PhD in civil engineering from the University of California, Davis.

## **Robin G. Schulze**

*Dean of the College of Arts and Sciences*

Robin G. Schulze, PhD, joined the University at Buffalo in July 2016 as dean of the College of Arts and Sciences and professor in the Department of English. As leader of UB's largest and most diverse academic unit, she drives

UB's commitment to prepare students to be active, knowledgeable, engaged citizens in a dynamic global community.

Over the last six years, Schulze has worked to keep the College strong. She has increased research expenditure in the College and has secured major investments to enhance the College's disciplinary excellence, including funds to support the College's first two female SUNY Empire Innovation Professors. While championing disciplinary excellence, she has also invested in programs that approach critical present problems from a variety of disciplinary vantage points. The College's new department of Environment and Sustainability is a testament to that approach. She is also Co-principal Investigator on UB's first-ever Mellon Foundation grant in support of the College's new Department of Indigenous Studies which honors the university's long-standing commitment to training generations of native scholars. An advocate for the value of experiential learning, she has raised funds to provide College students access to important career building, learn-by-doing opportunities.

Schulze began her career at the University of Kansas. She moved to Penn State, where she became Head of the Department of English. In 2012, she moved to the University of Delaware and became the Associate Dean for the Humanities, a position she held until her move to UB.

## SUNY Honorary Degree

### **Francesco Calogero**

*Emeritus Professor  
Sapienza University of Roma*

Francesco Calogero, emeritus professor of theoretical physics at Italy's Sapienza University of Roma, is a world-renowned theoretical/mathematical physicist who is also active in arms control and international conflict resolution.

Calogero's research is documented in five books and over 450 scientific articles. A pioneer of the theory of integrable systems, he co-authored, in 1982, one of the first research monographs on the subject. He also published over 400 papers and several

books on arms control and related topics. He co-edited (with M. Goldberger and S. P. Kapitzka) the collective book "Verification," whose 12 chapters—covering nuclear, chemical, bacteriological and conventional weapons—were co-authored by eminent and influential individuals from both sides of the then Iron Curtain. The 1991 book took three years to complete and was published in English in the U.S. and in Russian in the Soviet Union.

From 1989 to 1997, Calogero served as secretary general of the Pugwash Conferences on Science and World Affairs, organizing some 50 international meetings. In 1995—the 50-year anniversary of the atomic bombings of Hiroshima and Nagasaki—Calogero accepted the Nobel Peace Prize on behalf of Pugwash for its efforts to "diminish the part played by nuclear arms in international politics and, in the longer run, to eliminate such arms."

Calogero's longstanding connection to UB is through his highly productive collaborations with, and mentorship of, UB mathematics and physics faculty members in the field of nonlinear waves, soliton theory and integrable systems. The corresponding research groups involve dozens of students, including more than 20 current and former PhD students.

Calogero's role as an international peace activist and his seminal accomplishments in his field align with the UB's mission to positively impact the world through our research, scholarship, creative activities and educational excellence. In appreciation for the inspiring example he has set for our UB community, the University at Buffalo is proud to confer upon Francesco Calogero a 2022 State University of New York Honorary Doctorate of Science.

## The Mace

Designed to tell the story of the university and the Niagara Frontier, the University at Buffalo mace was fashioned by silversmith Hudson Roysner of Arcadia, Calif. It was used for the first time in the 1962 general commencement.

The mace is silver with accents of lapis and howlite to represent the university's colors. It is topped by a miniature walled structure representing the city of Buffalo. Engraved atop the city are three arrows bound together, symbolizing the unity of UB and the city.

A band of alternating jewels of lapis and howlite encircles the head of the mace and bears the founding dates of the 13 divisions that composed the university in 1962.

The UB arms appear on the front of the head. On the back are the arms of the United States.

The discovery of Lake Erie in 1669 by Louis Joliet and early explorations by Robert de LaSalle are symbolized on the left side of the head. A crest on the right side symbolizes the university's role as a dynamic center of human growth and welfare.

The wild rose, the New York state flower, is depicted in a floral motif at the top and bottom of the mace's head. Encircling the ends of the shaft are three wavy lines representing intellect and water, the latter a reference to the Niagara River and Great Lakes.

The motto "University and City: Community" is lettered in Latin around the knob of the shaft.

Traditionally used in university ceremonies, the mace is a symbol of enlightened authority. The mace bearer is the chair of the university's Faculty Senate.

## About the College of Arts and Sciences

For over a century, the College of Arts and Sciences has served as the center of scholarly excellence and radical innovation at the heart of the University at Buffalo. Comprising 30 departments in the arts, humanities, social sciences, natural sciences, and mathematics, as well as 16 special programs and 23 centers and institutes, the College is not only the largest campus unit, but the one most likely to directly impact every UB student at some point in their educational career. Our more than 420 dedicated faculty members, including 30 SUNY Distinguished Professors, prepare over 8,000 undergraduate and graduate students per year to become the critical thinkers and compassionate leaders so vital to our ever-evolving society.

Students in the College of Arts and Sciences also benefit from UB's status as a premier public research university, and the breadth of resources this status provides. Internship, research, study abroad, and service-learning opportunities pull students out of the classroom and into the real world of hands-on problem-solving. From advancements in targeted drug delivery and photonics; to complex understanding of climate challenges; to creative achievements in theatre, contemporary music, poetics, and the arts, our students contribute regularly to the industries that will eventually employ them, and from which they will dispatch crucial and compelling solutions.

"Liberal arts education is, in my view, the working definition of education," says Robin Schulze, Dean of the College. "The liberal arts grant students the skills to solve problems and the imagination and courage to make a better future. Our faculty are leaders in their fields. They challenge students to see complex issues from a variety of perspectives, and to think creatively and collaboratively about how to make a difference in the world. The College really is a perfect place for students to find their passions and their purpose. We can't do this work without the support of our alumni and friends—the people who understand that a liberal arts education is critical to our collective good. Our mission is to help our students become active, empathetic citizens of a diverse and dynamic global community."

This year's graduating class joins nearly 110,000 College alumni, a massive network composed of internationally-recognized researchers, scientists, and educators; pioneering business leaders; prominent writers and journalists; celebrated musicians and composers; and award-winning film directors, actors, artists, and designers. These extraordinary individuals represent a tremendous legacy, one strengthened by the accomplishments of each additional class of College graduates.

The College would like to thank the members of the Class of 2022 for their efforts over the past four years, and wish them the best of luck in their continued pursuit of knowledge and invention. As they sit poised on the brink of future success, we hope they will remember their time in the College as a period of discovery and growth, stay actively connected to their alma mater, and help guide new generations of UB Bulls to build on their exemplary foundation.

# SUNY Chancellor's Awards for Student Excellence

*This award acknowledges students for outstanding achievements that have demonstrated the integration of SUNY excellence within many aspects of their lives in areas such as academics, leadership, campus involvement, community service or the arts.*

## **Hannah Baker**

*Sociology, Global Gender Studies, and Social Sciences  
Interdisciplinary Health and Human Services*

Hannah Baker of Norwich, N.Y., graduates with a bachelor of arts in sociology, global gender studies, and social sciences interdisciplinary health and human services. She is the assistant editor of the Global Women's Empowerment Magazine; a College of Arts and Sciences Sociology

Ambassador; the outreach coordinator for the Advocates for Girls' Education club; a teaching assistant; a community assistant; a LEAD peer mentor of Leadership House; and a mentee in Professor Oscar F. Gil-Garcia's mentoring circle. Baker earned recognition as the Sociology and Criminology Student Spotlight and the Global Gender Studies Student Spotlight.

## **Sydney Emley**

*Psychology*

Sydney Emley of Lackawanna, N.Y., graduates with a bachelor of arts in psychology. Emley is a University Honors College Scholar and has been an Honors College peer mentor, teaching assistant, and treasurer of the Buffalo Bull Frogs club swim team. She has worked in a Cognitive Psychology Research

Laboratory, contributing to a review paper on learning in autism spectrum disorder as well as contributing to an experimental study done on emotional regulation. She volunteers at her local food bank as well as fostering and socializing feral kittens with the Ten Lives Club cat rescue and adoption group.

## **Temara Cross**

*Public Health and African-American Studies*

Temara Cross of Buffalo, N.Y., graduates with a master of public health and bachelor of science in public health and a bachelor of arts in African-American studies. Cross served as a peer mentor, student ambassador, alternative break service trip leader, and a representative on the President's Advisory Council on

Race. She researched breast cancer in Black women at Roswell Park Comprehensive Cancer Center, produced a manuscript as first-author, and presented findings at statewide conferences. A Western New York Prosperity Fellow, she is involved with organizations including Say Yes Buffalo and Open Buffalo, working to achieve educational, socioeconomic, and health equity.

## **Julianne Frey**

*Environmental Studies and Political Science*

Julianne Frey of Putnam Valley, N.Y., graduates with a bachelor of science in environmental studies and a bachelor of arts in political science. Frey is a member of the Phi Beta Kappa and Pi Sigma Alpha honor societies. She has been a member and peer mentor for the Leadership House living-learning

# Letter from the Dean of the College of Arts & Sciences

**Dear Members of the Class of 2022,**

It is with great pleasure that I congratulate you on your graduation from the University at Buffalo College of Arts and Sciences. What you have achieved today, and over the past several years, is truly admirable.

Thank you for your efforts in the classroom, the lab, the performance hall, the studio, the athletic field, and within the UB and greater Buffalo communities. You have become an integral part of our narrative. We will miss you.

As you transition into the next phase of your life, I want you to remember two things. First, your achievement does not end here. You are ready for whatever comes next. You have the knowledge and skills to succeed and the ability to define success on your own terms. Second, there are more than 287,000 UB alumni worldwide, ready and eager to welcome you to their ranks. No matter where you go, you will find friends to support you.

Today, I hope you celebrate this moment to its fullest with the people who have supported and encouraged you throughout your education. Tomorrow, I know you will use what you have learned here to make the most of every opportunity.

Good luck and enjoy the adventure.

Robin G. Schulze  
*Dean of the College of Arts and Sciences*

# Letter from the UB Alumni Association President

**Dear Members of the Class of 2022,**

Congratulations! On behalf of the UB Alumni Association, I'm delighted to welcome you to your global network of more than 287,000 alumni. We're proud of all you have accomplished.

As you begin your next chapter, please stay in touch! We have so many ways for you to remain connected—to UB and to each other—through email and social media, as well as through alumni events and volunteer opportunities happening across the country and around the world.

What does this mean for you in practical terms? It means that career help, volunteer opportunities and engaging educational and social events are all yours for the taking. To learn more about what's available with your new alumni status, visit [buffalo.edu/alumni](https://buffalo.edu/alumni).

Remember, this isn't goodbye—it's WELCOME to the UB alumni family. We know you'll always be True Blue and proudly keep your Horns Up, wherever you go and whatever you do. Contact the Office of Alumni Engagement at [ub-alumni@buffalo.edu](mailto:ub-alumni@buffalo.edu).

Go Bulls!

*Darshon Jayasinghe*

Darshon Jayasinghe, BA '03

P.S. Keep your @buffalo email for life simply by logging in through a browser every 90 days.

## UB Alma Mater

*Music by Walter S. Goodale, MD, 1903.  
Lyrics adapted by UB students in 2006 for  
contemporary use.*

### **Verse 1:**

The pride of our spirit and tradition,  
Our alma mater's truth and name declare.  
Celebrate our history and wisdom,  
O let us all prepare to sing her glory.

### **Refrain:**

To Buffalo all hail to thee,  
Noble and strong it's our university!  
To blue and white pledge loyalty,  
Singing, I will always remember thee!

### **Verse 2:**

We'll ever keep our standards high,  
And sing UB's praises to the sky.  
Receiving the finest education,  
Our knowledge we impart unto the nations.  
*(Repeat refrain)*

### **Verse 3:**

Our friends we've made with ties that bind,  
A union of our spirit, heart and mind.  
Together we'll continue life's journey,  
O may dear Buffalo forever be.  
*(Repeat refrain)*

# Visitor Information

## Photographic Services

A photographer from GradImages will be at the College of Arts and Sciences Undergraduate Commencement to take a posed photograph of you, as well as a candid photograph of your special moment of recognition and handshake. You will receive free proofs in the mail within five to seven days following the ceremony. You may place orders or obtain answers to questions at [www.gradimages.com](http://www.gradimages.com) or 800-261-2576. Since professional photographs will be available, family members and guests are encouraged to remain in their seats, relax and enjoy the ceremony.

## Online Viewing of the Ceremony

This ceremony will be live-streamed. The ceremony will also be available for post-ceremony online viewing, shortly following commencement weekend. Visit [buffalo.edu/commencement](http://buffalo.edu/commencement) and click on the “Streaming & Videos” tab for information.

## Celebrate the #UBClassOf2022

Graduates and their guests can post photos, memories and well-wishes using the hashtag **#UBClassOf2022** via Instagram and Twitter for the chance to see them on screen before the ceremony and during the conferral of degrees.

## Accessible Seating

A section for guests with wheelchairs is available on the floor-level. A section for guests who have requested accommodations, who do not arrive with a wheelchair, is available at the top of the 200-level. Special accommodations are also available for the deaf and hard of hearing.

To access any of these seating areas, please speak with an usher. Due to limited space, guests with special needs may be joined by just one ticketed guest in these special seating areas.

## Emergency Assistance

First Aid – Main Floor, Room 121 (“Bullpen”)

University Police personnel and ambulances are on call to assist campus guests during the weekend. A major first aid station is located on the main floor of the arena in Room 121 (“Bullpen”). Ushers or University Police officers will direct guests. For emergency medical needs, please alert an usher. On-site emergency medical technicians will attend to you immediately.

## Blue Light Telephones

Blue light telephones on main campus thoroughfares and in nearby parking lots are direct lines to University Police. There are no blue light telephones inside the arena.

## University Police

(716) 645-2222

## Lost and Found

University Police administers a lost-and-found service in Bissell Hall, south of the arena. An attendant is on duty at the switchboard 24 hours daily. Inquiries should be directed to University Police, University at Buffalo, Bissell Hall, Buffalo, NY 14260, (716) 645-2227.

## Restrooms

There are restrooms on all arena levels. First-floor restrooms are inside the main lobby; second-level facilities serve all upper seating.

## Commencement Programs

A program is supplied to each participating candidate for graduation.

## University Bookstore

The University Bookstore at 200 Lee Entrance on the North Campus will remain open today until 5:00 p.m. The bookstore will reopen Monday with its regular hours, 9:00 a.m. – 6:00 p.m.

## Departure

Please exit the campus with patience and in an orderly manner. Please depart with caution, as this side of the campus handles a maximum flow of traffic, especially during commencement exercises. We thank you for your patience and understanding.

## Alumni Arena No Re-entry Policy

Due to the anticipated full capacity in Alumni Arena and the necessary safety and security provisions that need to be in place as a consequence, commencement guests will not be able to regain entry to the Arena using a ticket stub once they leave the premises.

## UBreathe Free

UB is committed to providing a healthy environment for our campus community. Smoking and vaping are prohibited throughout the university, indoors and outdoors. Your support is greatly appreciated!

\*UB alumnus/alumna

The modern seal for the University at Buffalo harks back to a design adopted in 1923 to reflect the evolution of the university from separate schools into a more close-knit organization. Though the seal has been revised several times over the decades, the foundational elements remain: a proud bison signifying the City of Buffalo atop a shield supported by the palm leaves of victory and emblazoned with the flames of wisdom.
