## A Message from Jean Wactawski-Wende, Dean, School of Public Health and Health Professions

### Dear graduates:

I am very pleased today to watch you, the talented graduates of the School of Public Health and Health Professions, as you cross the stage to recognize your academic achievements and celebrate this important milestone.

The people gathered here to support you—families, friends, partners and fellow students—feel equally proud of your accomplishment. The person you have become is a result of your hard work and the support and belief of these people in your abilities.

This day is the start of what will be a remarkable journey for each of you as you strive to improve health for all people and populations. Indeed, I believe your efforts to address and overcome health inequities will be a meaningful factor in making our communities healthier and stronger.

Please know that everyone in the University at Buffalo and the School of Public Health and Health Professions wishes the best for you as you embark on your future work. Congratulations, and I wish each of you great success!

Warm regards,

Jean Wactawski-Wende, PhD

# UB Alma Mater

*Music by Walter S. Goodale, MD, 1903.  
Lyrics adapted by UB students in 2006  
for contemporary use*

## **Verse 1:**

The pride of our spirit and tradition,  
Our alma mater's truth and name declare.  
Celebrate our history and wisdom,  
O let us all prepare to sing her glory.

## **Refrain:**

To Buffalo all hail to thee,  
Noble and strong it's our university!  
To blue and white pledge loyalty,  
Singing, I will always remember thee!

## **Verse 2:**

We'll ever keep our standards high,  
And sing UB's praises to the sky.  
Receiving the finest education,  
Our knowledge we impart unto the nations.  
*(Repeat refrain)*

## **Verse 3:**

Our friends we've made with ties that bind,  
A union of our spirit, heart, and mind.  
Together we'll continue life's journey,  
O may dear Buffalo forever be.  
*(Repeat refrain)*

## Ceremonial Mace

The ceremonial mace is traditionally carried during the procession by a senior distinguished faculty member as a symbol of authority. The staff is made of dark, polished walnut, topped by three intersecting silver rectangles simulating the emblem of the State University of New York at Buffalo. When not in use for ceremonial purposes, the mace is displayed to visitors in the office of the dean. The mace was designed and constructed by Irwin Franco, jeweler, woodcrafter, and former assistant professor, Department of Occupational Therapy.

**ON THE COVER:**

The modern seal for the University at Buffalo harks back to a design adopted in 1923 to reflect the evolution of the university from separate schools into a more close-knit organization. Though the seal has been revised several times over the decades, the foundational elements remain: a proud bison signifying the City of Buffalo atop a shield supported by the palm leaves of victory and emblazoned with the flames of wisdom.
