

VPHS SYMPOSIUM SERIES

UB Health AI Symposium

Join us to learn about the expansions of AI in the healthcare world with Distinguished Service Professor of Radiology from the University of Chicago, Dr. Maryellen L. Giger. Then, dive into poster sessions to discover the many talents and inquiries of UB researchers... and potential collaborators. Seed funding opportunities are available!

Tuesday, February 27th 2024

- 1:30–2:30** Presentations by AI and Health Sciences Pilot Funding Proposal Teams
- 2:30–3:15** Keynote Presentation with Q&A
- 3:15–4:00** Interdisciplinary Panel Discussion on AI and Health Team Building
- 4:00–6:00** Poster and Networking Session

At the Jacobs School, Room 1220, 955 Main Street, Buffalo NY

Bus transportation available from North Campus!

Bus will depart from the front of Davis Hall at 12:50pm, the return will depart from JMBS at 6:10pm.

Expand your knowledge and network, and book your poster position now.
