

Get an Expert Opinion on Securing Aging Related Research Resources

Thursday, March 28, 2024
4:00pm on Zoom

Featuring **Stephanie Studenski MD MPH**

Stephanie Studenski MD MPH served as PI of the **National Institute on Aging** awards for over 20 years, was Chair of three NIA/Aging Study Sections and was a member of the NIA Advisory

Council. She also was PI of VA aging awards and served on VA study sections and the VA aging advisory board.

Dr. Studenski will share her perspectives on strategies to successfully achieve NIA funding.

Questions?

Contact Jill Szczesek jilla@buffalo.edu

Did you know that NIA currently funds more than 7,000 projects per year placing it in the top five of NIH agencies?
