Jill Szczesek jilla@buffalo.edu

Featuring Alyssa Krumlauf, Ph.D.

Associate Director, Clinical Effectiveness and Decision Science Program, PCORI

Dr. Krumlauf will discuss PCORI funding opportunities, how to engage at the clinical level and ways to access their data for advancing research and health outcomes. She will focus heavily on what PCORI looks for in health equity related proposals.

Thursday, November 9, 2023
12:00pm on Zoom

"With health, information is power"
PCORI funds research that allows patients to become more empowered decision makers.
