

How to secure Large-Scale Funding through the Department of Defense Via Other transaction authority

UB Alumnus John A. Bogdan, Ph.D, is a widely recognized leader and subject matter expert in vaccines and therapeutics for infectious disease. John has written proposals in response to Requests for Prototype Proposals (RPPs) funded under Other Transaction Authority (OTA), developed RPPs for the Department of Defense (DOD) for awards under OTA and has reviewed proposals submitted to these DoD RPP initiatives funded by OTA.

**Tuesday
December 12th 2023
12:00-12:30**

This presentation is intended for UB Health Science PIs, and is hosted by the VPHS.
